ขั้นตอนที่ 2 Click หัวข้อ Cost Explorer

The screenshot displays the AWS Cost Explorer interface. On the left, the 'AWS Cost Management' sidebar is visible, with 'Cost Explorer' highlighted and a large yellow circle containing the number '2' next to it. The main content area shows search results for 'cost explorer'. Under the 'Services' section, three items are listed: 'AWS Cost Explorer' (Visualize and Explore Your AWS Costs and Usage), 'Billing' (Access, analyze, and control your AWS costs and usage), and 'AWS Resource Explorer' (Easily search for and discover relevant resources across AWS). Under the 'Features' section, three items are listed: 'Savings Plans' (AWS Cost Explorer feature), 'Explorer' (Systems Manager feature), and 'Resource search' (AWS Resource Explorer feature). On the right, a bar chart titled 'Service count' shows the number of services over time, with a value of 26. The chart shows a peak in late June. Below the chart, there is a 'Download as CSV' button. The right sidebar contains 'Report parameters' including 'Time' (Date Range: 2023-05-01 to 2023-06-29), 'Granularity' (Daily), 'Group By' (Dimension: Service), and 'Filters' (Applied filters: 1).
